

## ADDITIONAL TERMS AND CONDITIONS FOR BETA SERVICE

These additional terms and conditions supplement the terms and conditions contained in the AWS Customer Agreement, AWS Service Terms, or other agreement with us governing your use of our Services, all of which applies to Company's use of the Beta Service (or Tech Preview) described below. **IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS IN THE ABOVE REFERENCED DOCUMENTS OR THE ADDITIONAL TERMS AND CONDITIONS IN THIS DOCUMENT, YOU MAY NOT USE THE BETA SERVICE.**

<b>Name of the Beta Service</b>	Amazon Elastic Kubernetes Service Anywhere
<b>Term of Beta Service</b>	June 3 <sup>rd</sup> , 2021 – August 31 <sup>st</sup> , 2021
<b>Costs or Charges for use of Beta Service</b>	The Beta Service is offered free of charge. You are responsible for standard fees incurred for any other AWS Services that you use in connection with the Beta Service. Standard pricing will apply for your use of those AWS Services.
<b>Additional Terms and Conditions</b>	<p>The Beta Service is intended only for evaluating the Beta Service using development or test workloads; it is not intended for use with production workloads or for critical or otherwise important code, data, or other Content.</p> <p>Beta Service resources and any data generated during the Beta Service may not be migrated over to any generally available version of the Beta Service and may not persist past the end of the Beta Service term.</p> <p>The Beta Service is subject to change and cancellation. AWS may change the functionality of the Beta Service during and after the Term at its sole discretion or based on participant feedback. Beta Service functionality, features, and documentation may change during the Term and may be different from and generally available.</p> <p>The Beta Service is confidential and you may not discuss the features, functionality, or documentation related to the Beta Service with any parties that are not authorized by AWS.</p> <p>Information related to your use of the Beta Service, including product metrics, and any observations, feedback, and suggested improvements that you provide may be retained and used to improve the Beta Service and other related products and services offered by AWS and its Affiliates.</p> <p>We may amend any of these terms or any related terms or guidelines at our sole discretion by emailing the revised terms to your AWS account email address.</p>
